Citation No. T.22.10.001
Case No. PSG-5685

I am truly sorry and apologize for my use of the bus without complying with the statute. I purchased the bus as a personal vehicle for friends and family. On a few occasions, people asked for rides and paid me. I work full-time for the school district and am a single father and going to school on Saturdays. I did not know I had to register it as a business and am very sorry. I immediately stopped using the bus when I received the cease-and-desist letter and will not do so again. I did not operate the bus as a primary business, but was paid by friends or people who knew me on occasions. I had liability insurance of \$100,000.00 with Progressive Insurance Company and did not know I had to have more. I did not have any knowledge or have anyone tell me I needed to have the vehicle inspected by the CHP or to enroll myself in any programs. I was the only one who drove the bus. The amount of the fine is unaffordable to me. I ask and beg it be reduced substantially.

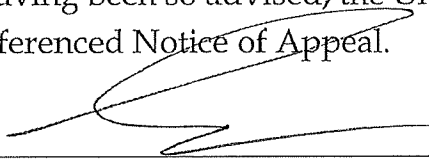

I understand the allegations being made, but I am not able to pay a \$20,000.00 fine. I am working full-time and raising two young sons alone and going to school. I live from paycheck to paycheck and have no extra money.
